# What our customers are saying

I really appreciate how easy to use Activ People HR is, which significantly contributes to my productivity by simplifying HR processes like absence tracking, appraisals, training, and handbook management.

Christina S.
HR Manager

The software is really easy to use, and with several new features it now makes our lives easier when automating tasks, sending out vital information and keep staff up to date with new policies and procedures.

Jessica D.
PR, communications and Technical Support

The team are so response and helpful, always helping us to understand the nuances of the system and how it can be adapt to best serve us, often developing it so it works for us.

Jenny W.
Director of People

We have been using Activ People HR at our school for a number of years. The system's sophistication has and continues to exceed our original expectations. After the initial setup and implementation the system has allowed us to streamline processes to save time.

Annie S.
School Business Leader

I like how easy it is to use and its very user friendly. It is easy to make any relevant changes. Good and easy way to run reports to monitor absences. It is useful to flag repeated absences etc.

Verified G2 User
HR Manager

Once you are used to the system, it is simple to navigate and use. More importantly, customer service and care is excellent. Always kept in the loop, always receive informative answers with images where necessary to cement understanding.

Robyn S.
Senior Administrator

I have been using Activ People HR for 6 months now and I have been extremely impressed with both the product and the support I have received. The product is intuitive and easy to navigate, even for someone who is new to administrating an HR system e.g. like me!

James G.
Operations Manager

Easy to manage my staff absences, toil, annual leave all under one roof, I started off trying to do this manually paper based and found Active People HR and have not looked back.
